GUIDELINES FOR ADMINISTRATIVE MANAGEMENT OF “TECHINICAL SPECIFICATION”

**By Web Voting
V1.0
January 3, 2008**

1. The Types of “Technical Specification” Documents

The PHS MoU Group can elaborate following documents.

1.1 Technical Specifications (standardized documents)

This refers to documents including standardized material and technical specifications. Technical Specifications are drafted by WGs such as TWG, and promulgated after admission received from the general meeting of PHS MoU Group principally.

1.2 Technical related documents

This refers to documents describing other themes than technical specifications, such as the business strategies and roadmap of PHS MoU Group. Technical Related Documents with themes relevant to each WG’s business can be drafted by respective WGs, and are promulgated after admission received from the general meeting of PHS MoU Group principally.

2. Treatment of Technical Specifications

The definitions of revising subtitles are following.

2.1 Version:

A major change such as changing of basic specifications or adding new sections that would be unable to achieve only with existing technologies, or methods, written into the previous version and this shall be only authorized by General Meeting.

2.2 Revision:

A minor change such as partial small changing, or adding some words which shall be not affected to the basics and this shall be authorized by each WG.

2.3 Release:

A minor change such as the correction of typographical errors, and the change of

the way of expression in a better way which would not be affected to contents itself, and this shall be authorized by each WG.

3. Effect of Documents

All documents made by PHS MoU Group are handled according to the policies stated below.

3.1 Copyright

The PHS MoU Group, unless otherwise having agreements about rights of documents, reserves all rights including copyrights in the PHS MoU Documents.

3.2 Disclaimer, Limitation of Liability:

NOTHING IN THIS DOCUMENT CREATES ANY WARRANTIES OF TITLE OR NONINFRINGEMENT WITH RESPECT TO ANY TECHNOLOGIES, STANDARDS OR SPECIFICATIONS REFERENCED OR INCORPORATED INTO THIS DOCUMENT.

IN NO EVENT SHALL THE PHS MOU GROUP OR ANY MEMBER BE LIABLE TO THE USER OR TO A THIRD PARTY FOR ANY CLAIM ARISING FROM OR RELATING TO THE USE OF THIS DOCUMENT, INCLUDING, WITHOUT LIMITATION, A CLAIM THAT SUCH USE INFRINGES A THIRD PARTY'S INTELLECTUAL PROPERTY RIGHTS OR THAT IT FAILS TO COMPLY WITH APPLICABLE LAWS OR REGULATIONS. BY USE OF THIS DOCUMENT, THE USER WAIVES ANY SUCH CLAIM AGAINST THE PHS MOU GROUP AND ITS MEMBERS RELATING TO THE USE OF THIS DOCUMENT.
